

a sense of home in the mountains

2022

The Year in Images

Bow Valley from "the Beehive", Canadian Rockies

from the Shore and River series, by Carl Morris (1960)
[from my aunt]

TRAVELING AGAIN: CHASING REDWOODS

Hendy Woods

The scale of things

Henry Richardson Rsrv.

John Muir Woods

Mendocino coast

RETURN TO THE CANADIAN ROCKIES

Moraine Lake, 5th visit

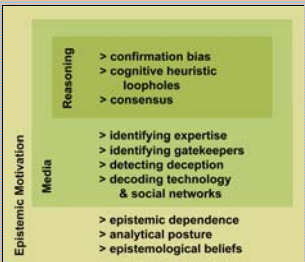

Sentinel Lake (early July)

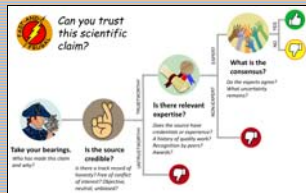

apthly named Paradise Valley...

ACADEMICS -- MISINFORMATION [Click to read]

Ten Competencies for the Science Misinformation Crisis

"Science Education in an Age of Misinformation"--the Osborne report

BIOLOGY

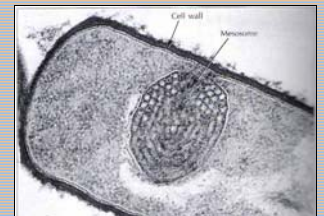

"Cannus stannous: Chance and Necessity in Natural Selection"

--- a lab activity for challenging teleology

"SACRED BOVINES" in *American Biology Teacher*

The Vaccine Skeptics of 1721

The Very Reproducible (But Illusory) Mesosome

OF AN ABSTRACT NATURE

CHASING ROTHKO? [Listen, in symphonic mode]

Lake Annette

MORE TRAVEL: DC

mentor Lindley Darden

Renwick Gallery

NYC

Holbein portraits at the Morgan Lib.

American Buffalo [star cast]

compares well to my stage set from 1988(!)

DISCOVERY, CLOSE TO HOME

Gooseberry Falls, MN

tamarin at Como Zoo

local woods

running again, after many years

Zen garden

LANDSCAPING & GARDEN

great year for the poppies

culling buckthorns, planting more trees

culturing milkweed, welcoming monarchs

MORE CULINARY ADVENTURES

Pork, parsnips, fennel, sage & dates

More sheet-pan bakes: tomatoes & crispy tofu

passion fruit flan

home-roasted cashews

Continued favorite: Farro salad, with lime-shallot vinaigrette ... and goat cheese, roasted red pepper & tomato-pomegranate salad

CLOSING THE YEAR PROPERLY

holiday cookies

ever popular cheesebread

caramel rolls

Greetings for the New Year!

Stay tuned in 2023 for..."The Quixotic Quest for Objectivity in Observation" | more on misinformation | maybe a book?-- *To Err is Science*
